

LaBounty Family Pictures

The pictures below are a few of the LaBounty family pictures that I had recovered before my mother, Eileen passed away. These first few pages are the ones that include Shirley, since this is part of a tribute for her 80th birthday. Some of the later pictures below, are pictures of more general interest.

Shirley, Eileen and Pat (in sled).

LaBounty siblings minus Fran.

The remainder of the pictures are not of Shirl. They are just some pictures from family Christmases and some pictures of Allison and Teri which if you compare them to the pictures of Eileen and Shirl, you can definitely see the resemblances.
